TERMS OF SALE

All quotations and sales of the goods, products, material, merchandise, equipment, technical data, intellectual property, drawings or services, collectively the "Articles", listed herein are subject to the following terms and conditions and those contained on the face hereof.

1. Taxes. The amount of the present or future sales, revenue, excise, or other taxes applicable to the Articles listed herein shall be added to the purchase price and shall be paid by the Buyer, or in lieu thereof, the Buyer shall provide Seller with a tax exemption certificate acceptable to the taxing authorities.
2. Terms of payment. Payment is to be made in accordance with the terms specified on the face hereof. Unless otherwise specified, payment on any invoice is to be made in full within thirty days of date of invoice. The Seller may charge interest at the rate of 1 1/2% per month on all overdue invoices and Buyer agrees to pay any and all expenses, including reasonable attorneys fees and legal expenses, paid or incurred by Seller in collecting overdue invoices. Time is of the essence in this contract and the acceptance by the Seller or its assignee of any payment hereunder after the same is due shall not constitute a waiver of this or any other provision of the contract or of any default in the event that any payments are not made at the time and in the manner provided, the Seller or the holder of this contract shall have the option (1) to declare the entire purchase price or balance thereof immediately due and payable, or (2) retain any deposit held by Seller as liquidated damages for Breach of Contract, or (3) retake possession of the Articles. As an additional cumulative remedy, if discounts of any nature are given by manufacturer or seller and payments are not made as provided, said discounts are hereby revoked and canceled. Any price increase by manufacturer prior to shipment shall be added to the total purchase price unless otherwise agreed.
3. Delivery & Delays. All prices are F.O.B. Peco Corp., Auburn Hills, Michigan for Articles manufactured by Peco. Method and route of shipment are at Seller's discretion, unless the Buyer supplies explicit instructions. All shipments are insured at the Buyer's expense and made at the Buyer's risk. Deliveries shall be subject to, and contingent upon strikes, labor difficulties, riot, civil unrest, war, fire, delay or defaults of common carriers, failure or curtailment in Seller's usual sources of supply, governmental decrees or orders, or, without limiting the foregoing, any other delays beyond Seller's reasonable control, and Seller shall not be liable for any loss or damage arising there from. Seller shall have the additional right, in the event of the happening of any of the above contingencies, at its option, to cancel this contract or any part thereof without any resulting liability. Shipments made within 20 days after specified date of delivery shall constitute a good delivery. Any delivery not in dispute shall be paid for regardless of other controversies relating to other delivered or undelivered Articles.
4. Conditions. All orders or contracts are accepted with the understanding that they are subject to Seller's ability to obtain the necessary raw materials and component parts, and all orders or contracts as well as shipments applicable thereto are subject to Seller's ability to obtain the necessary raw materials and component parts, and all orders or contracts as well as shipments applicable thereto are subject to Seller's current manufacturing schedules, and government regulations, orders, directives, and restrictions that may be in effect from time to time.
5. Nonconformity. Buyer agrees to inspect all Articles shipped hereunder upon arrival. Claims for defective, Articles, shortages, delays, or failures in shipment or delivery, or for any other cause, shall be deemed waived and released by Buyer, unless made in writing within ten (10) days after arrival of the Articles. Buyer agrees to provide Seller and the manufacturer a reasonable opportunity for inspection after receipt of any claim. Under no circumstances shall Seller be liable for consequential or other damages, losses, or expenses in connection with, or by reason of, the use of, or inability to use, Articles purchased for any purpose.
6. Warranties. The advice of Seller's technical staff is available to the trade, but Seller, not controlling or supervising the subsequent manufacture, fabrication, or installation of its Articles or their use after sale, does not warrant or guarantee such advice. THIS CONTRACT EXEMPTS THE ENTIRE UNDERSTANDING OF THE PARTIES, AND, OTHER THAN ANY STANDARD PRINTED WARRANTY ACCOMPANYING THE ARTICLES, THE SELLER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES AS TO MERCHANTABILITY OR AS TO THE FITNESS OF THE ARTICLES FOR ANY PARTICULAR USE OR PURPOSE AND SHALL NOT BE LIABLE FOR ANY LOSS OR DAMAGE, DIRECTLY OR INDIRECTLY, ARISING FROM THE USE OF SUCH ARTICLES OR FOR CONSEQUENTIAL DAMAGES.
7. Governing Law. This contract shall be interpreted and construed in accordance with the laws of the state of Michigan.
8. Acceptance. This offer is expressly limited to acceptance on the exact terms contained herein. These terms and conditions shall supersede any provisions, terms, and conditions, contained on any confirmation order, or other writing Buyer may give or receive, and the rights of the parties shall be governed exclusively by the provisions, terms and conditions hereof. Seller makes no representations or warranties concerning this order except such as are expressly contained herein.
9. Cancellation. An order once placed with and accepted by Seller can be canceled only with Seller's consent and upon terms that will indemnify Seller against loss, including lost time, cost of plans and specifications, administration time and technical support.
10. Seller's right of possession. Seller shall have the right, in addition to all others it may possess, at any time, for credit reasons or because of Buyer's default or defaults, to withhold shipments, in whole or in part, and to recall Articles in transit, retake same, and repossess all Articles which may be stored with Seller for Buyer's account, without the necessity of taking any other proceedings, and Buyer consents that all Articles so recalled, retaken or repossessed shall become Seller's absolute property, provided that Buyer is given full credit therefore. The foregoing shall not be construed as limiting, in any manner, any of the rights or remedies available to Seller because of any default of Buyer under the Uniform Commercial Code as in force and effect in the State of Michigan or the State of governing law on the date of the signing of this contract. It is agreed that in any litigation to recover the Articles or purchase price hereunder, the Seller shall be entitled to recover, in addition to any damages, reasonable attorney fees and court costs.
11. Arbitration. Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules in Oakland County, MI and Judgment on the award rendered by the Arbitrator(s) may be entered in any court having jurisdiction thereof.
12. No modification. Any attempt by Buyer to vary terms of this contract shall be deemed a material alteration. Such alteration shall not be binding on Seller unless the new provisions are accepted in writing, executed by Seller and delivered to the Buyer.
13. Indemnification and insurance. Buyer shall indemnify, defend, and hold harmless Seller against any "indemnity loss" arising out of, connected with or resulting from the Articles, including, without limitation, the selection, delivery, possession, use, operation or return of the Articles. "Indemnity loss" includes, but is not limited to, all claims, actions, suits, proceedings, costs, expenses, damages, liabilities, penalties, fines, actual attorneys' fees, consequential and incidental damages, and loss, damage, liability or claims arising from injury or death to persons or damage to property. Buyer shall maintain such public liability insurance, automobile liability insurance, workers' compensation and employer's liability insurance as will adequately protect Seller against damages, liabilities, claims, losses and expenses. Buyer agrees to submit certificates of insurance evidencing the insurance coverage when requested by Seller.
14. Governmental compliance. Buyer agrees to comply with all federal, state, and local laws, executive order, rules, regulations, and ordinances that may be applicable to Buyer's performance of its obligation under this contract and in the use of the Articles listed herein. 15. Insolvency. Seller may immediately cancel this contract in whole or in part without liability to the Buyer upon the occurrence of any of the following or any other comparable event: Insolvency of the Buyer, filing of voluntary or involuntary petition for bankruptcy, appointment of a receiver or trustee for Seller, execution by Seller of an assignment for the benefit of creditors.
